PRINCIPAL’S REPORT

Great Start to the year

It’s been terrific visiting all the grades and seeing the children really enjoying sharing their holiday experiences. All seem very happy and settled and pleased to be back with their friends. There was a real buzz in the air. Then on Friday our little preppies came along for the first time which was extremely exciting. It’s my favourite time of the year. The littlies are a delight and enthusiastic about school which is terrific. I enjoyed listening to their stories and playing lego!

School Council

Please consider nominating someone or get yourself nominated for School Council. There are three positions for parents to take up this time around. I will call for nominations over the next few weeks so please give it some thought. It is important that we get our full complement of people. Council usually meets on a Monday evening starting at 7:00pm. If we get too many people nominating we’ll go to a ballot. Please consider and ask someone to nominate you. Forms will be at the office later next week. If you would like to discuss nominations feel free to drop in and see me or another current school councillor.

**Starting School**

Starting school involves a big change for your child and family. It can be a time of great excitement, but also a time of potential challenge and stress.

Families play an important role in supporting children to manage the transition to primary school. The resources below will give you practical ideas and strategies to help your child make a successful start to school.

You will be able to watch a series of KidsMatter videos, as well as access information sheets and other practical resources.

To get the most out of the videos it can be helpful to watch them in sequence (1-6) or you might prefer to choose the ones most relevant to you.

From Kids Matter website
From Kidsafe Victoria

Kidsafe Victoria has launched a campaign to make it compulsory for “do not leave children in cars” signs to be placed at the entrance to all shopping centre and supermarket car parks – and hopes they will extend to places such as childcare centres, kindergartens and even petrol stations. It comes after Ambulance Victoria rescued 1165 unattended children from locked cars in the 12 months to August 31 last year. Alarmingly, and despite all the warnings, the summer months were the busiest period with an average of four call-outs a day. Almost half of calls were made between 11 am and 3 pm, the hottest time of the day. But it happens in cooler months too – last year we reported that state motoring bodies rescued at least 450 kids from cars in just one autumn month.

Lost Property

Please could parents ensure that all school uniform, hats, lunch boxes, water bottles are labelled clearly with your child’s name so that we can return them should they become lost.

At the end of last year we had a mountain of unclaimed items which we could not return as they were unlabelled. It’s also a good idea to have a distinctive visible marking on hats so that they can be easily identified in the playground as they sometimes end up on the wrong heads!

Should you need to look for a lost item, our lost property is located inside the entrance to the hall.

Hotham Stars Homework Club

For many years we have been helping students in Grades 5 and 6 with their homework.

Our volunteer tutors are available to help students with their homework and to assist students in becoming more organised with their school work. Many of tutors are university students or trained teachers. All tutors have undergone a Working With Children Check.

All students in Grades 5 and 6 are welcome and there is no charge. We are looking forward to seeing lots of new faces this year, so come along and see what we do! Parents are most welcome.

Homework Club is on a Tuesday from 3.30pm to 5.00pm. We start up for 2015 on Tuesday February 12th in the Kensington Primary School library.

Application forms are available at school. You can also contact Lee on 0409849877, or leave a message on 9326 8245, or email lee.kenny@hothammission.org.au
Our school canteen is open on Mondays, Tuesdays, Thursdays and Fridays. We offer a wonderful selection of healthy hot/cold foods for your child to enjoy. The latest menu and price list is shown below or can be downloaded from our website. To ensure that food stays hot when delivered to the classrooms, we require canteen orders to be put in an insulated lunch bag which can be purchased at the school office for $8.00 each. Please note the canteen is not open on Wednesdays for Lunch Orders. Snacks & fruit will be available.

3 Way Conferences

Parent / Teacher / Student 3 – Way Conferences
Thursday, February 26th 2:00 – 6:00pm
Tuesday, March 3rd 3:50 – 6:00pm

PARENT REMINDER

Initial Parent–Student-Teacher 3-way Conferences for students in Yr 1– Yr 6 will be conducted in the children’s classrooms on the following days and times: Thursday, February 26th 2:00pm – 6:00pm and Tuesday, February March 3rd 3:50pm – 6:00pm. The focus of the initial 3-way conference is to provide an opportunity to meet your child’s teacher, share information and for the students to set their personal learning goals for the year.

Parents need to book a conference time with your child/ren’s teacher/s using the School Interview Online booking site www.schoolinterviews.com.au. If you do not have access to a computer you are able to book your conference times at school by contacting the Office between 8:45am and 4:00pm. Office staff will book an available time for you. Parents can also send a note to school with the approximate times and a conference will be booked for you.

Conferences are 10mins. Instructions for booking an appointment for your child’s 3 –Way Conference are outlined below.

Parents can collect their child from school at 1.15pm on Thursday, February 26th and return for their conference time later in the day. Parents need to sign an Exit Sheet if collecting your child early. If parents are unable to collect their child early, students will be supervised at school until 3:30pm, by specialist teachers.

Parents are requested to be punctual for their child’s conference, as this will ensure that other conferences across the school will run to schedule. If issues arise that require a longer conference time, the teacher will reschedule another day and time.

Please note, Prep students will not be involved in these 3-way conferences, as Prep teachers will be conducting their own conferences with parents on Wednesdays throughout February, during Prep Entry Assessment appointments.

Book School Interviews Online

This year we are using a new online booking system for parents to book their conference time with their child’s teacher. This means you can now book interviews at times that suit YOUR FAMILY BEST.

1. Go to www.schoolinterviews.com.au and follow these simple instructions.
2. Enter the school Event Code KD8A7
3. Then follow three simple steps

1. Enter your details
2. Choose teachers
3. Choose times

When you click finish, your interview timetable will be emailed to you automatically - check your junk mail folder if you do not receive your confirmation email immediately.

You can return to www.schoolinterviews.com.au at any time, and change your interviews - until bookings close on Tuesday February 24th.

Julie Stephens
Assistant Principal
Wellbeing of students and the Bounce Back! Program

Welcome to a new school year to those returning and to those who are joining the school community for the first time. I’d like to take this opportunity to introduce myself and the role of Wellbeing officer at KPS. In this role I work alongside Julie in her role as Student Welfare Coordinator, the Guidance Officer Lily and Elizabeth, Speech Pathologist to promote the wellbeing and resilience of students and the school community. This involves providing support to individual students and their families and also working with students in small groups and in the classroom. Overarching this work is the whole school approach to building resilience – including teaching the skills of empathy, social skills and emotional intelligence. My role is to support teachers with this through implementing the Bounce Back program.

Bounce Back! is an evidence based wellbeing and resilience program, written by Helen McGrath and Toni Noble that teaches the skills and attitudes needed to face the challenges that are inevitable for us all in our lives. Resilience has been described as the capacity to ‘bounce back’ after experiencing problems, difficulties and down times. The skills that students learn through this program will benefit them at school and at home and encourage healthy social and emotional development in future years. The program is taught in every grade for an hour each week and focuses on a range of topics. This term learning about values and putting them into practice is the starting point. More information about the program will be included in the newsletter each week.

LEARNING AND PLAYING TOGETHER BOOKLETS

Students and staff at Kensington Primary School have worked together to create Learning and Playing Together booklets. These booklets outline the values that all staff and students strive to demonstrate at school. They also outline the expectations at school in relation to how to behave in the classroom, the yard and with other people. The booklets also include some ideas about how to develop and live by these values, even when it is hard to do.

The Learning and Playing Together booklets are used in the grades to support the development of a school culture that fosters a cohesive, empathic and caring community of learners. They also include the learning for the first unit of the Bounce Back program which has a focus on developing our values.

When you read the booklet with your child / children, it strengthens the links you have with your child’s education and helps to build a shared understanding of the expectations and values. We have published the books on our website and you can access them by going to the following link: http://www.kensingtonps.vic.edu.au/page/223/Learning-&-playing-Together-Booklets

I look forward to getting to know the many new children and their families who have started this year and to support the whole school community to build on their resilience skills.

Melissa Martin
Wellbeing Officer, martin.melissa.j@edumail.vic.gov.au.

PRESERVES
Make some jam for the fete!
Use mum’s favourite recipe or try one of these.

LEMON BUTTER
4 eggs
1/2 cup sugar
1/2 cup lemon juice
2 tsp finely grated lemon rind
125g chopped butter

METHOD
1. Place eggs and sugar into a heatproof bowl
2. Place bowl over a pan of barely simmering water and whisk constantly until sugar has dissolved.
3. Add lemon juice, rind and butter. Whisk for 20 min until smooth and the butter has melted and thickened enough to coat the spoon. Do not allow the mixture to boil as it will curdle.
4. Pour warm mixture into hot sterilised jars and seal immediately.

STRAWBERRY JAM
3 kg strawberries, hulled, halved
3 kg white sugar
Juice from 1/2 a lemon

METHOD
Wash and sterilise jars and lids.
Place strawberries in a saucepan and stir through sugar.
Leave for 1-2 hours while sugar softens the fruit.
Add juice then cook over medium heat, stirring constantly, until fruit is soft.
Remove 1/3 of fruit. Set aside. Cook remaining mixture until fruit is mostly dissolved and jam coats the back of a spoon.
Divide reserved fruit between the jars then fill with jam.
Allow to cool, then seal with lids.

Make lots of smaller jars please

WANTED USEABLE OLD CHINA PLATES

JAR Exchange
please remember jars and bottles for preserving can be collected and exohanged in the school library.

1 level tsp ground cloves
Small piece fresh ginger (about 1 cm)
1 level tsp allspice or mixed spice

"I was concerned my daughter was doing too many after-school activities, so suggested she try out the spa. She definitely enjoyed the drama classes.

When I asked why, she said "Because drama classes make me feel brave!"

We'll definitely be coming!" – Les Any, Melbourne
