

Lunchtime activities and clubs run weekly at KPS. Teachers use their lunchtimes to organize and implement a wide range of extra curricula activities for the students. Activities provide wonderful opportunities for students across grade levels to interact with each other and form new friendships and pursue their interests.

Julie visited the choirs run by Andrew (1/2 choir), Louise (3/4 choir), Brooke (5/6 choir and Earlybird choir). The choirs gather and sing together once a week at lunchtime, with the exception of the Earlybird choir which practices on Thursday morning at 8am. The children learn quite a repertoire of songs which are performed at assemblies and special events both within the school and in the community. When asked some of the children said why they choose to join choir

*It's fun to sing. I'm always humming around the house. It's peaceful when I'm really taking big breaths. Lilla 1 /2M*

*I love being in choir. It's really relaxing because you're not really concentrating on finding someone to play with, you're concentrating on your voice. Ryan H 1/2F*

*I love singing in the choir. It makes me feel calm. I sing loud. Malia W 1/2J*

*Choir feels fun and nice. It is relaxing. I love the song, "Am I Wrong". Amelie B 1/2J*

*I choose to do choir as it's a great learning opportunity and singing opportunity. I'm lucky being at this school and we are lucky to have Brooke as our singing teacher. She is very experienced. Liam S*

*I really like the opportunity to sing and learn new songs and being inside. Ava C*

*Being in the choir helps me to express myself and my feelings. I just like music and singing in general. Dylan P*

*Choir is a great way to meet new friends and to learn new songs other than songs on the radio. Marcella*
