Chapter I

The threats

Monday 9th September 2010 9:10am

At 9:10am Joe wakes up unaware of anything. He puts on his ripped navy blue Kmart shirt, black shorts, black thongs and Choppers. Joe is 24 years old.

Joe lives at 21 Hawker Lane in Prime where criminals roam the streets and abandoned houses or that’s what they say. Joe’s house is a brick house painted white with green on the window sills. The roof is a red brick roof with a chimney that is about to collapse off the roof.

Joe has a large German Shepherd with razor sharp teeth that could bite a piece of wood in half if it wanted to. Joe’s dog is 4 dog years old.

Joe’s favourite things to do are eating food and going for long walks. Joe’s favourite food is pizza and chicken nuggets. His favourite shops are McDonalds and KFC.

Joe has three really good friends who he respects and cares for a lot, their names are Jeff, Jim and Moe.
Joe walks down the creaking stairs getting ready to check his mail in his wooden letter box. Joe walks outside seeing that all his neighbours are leaving Prime. Joe didn’t know why so he grabbed his letters and went back inside. Joe walked swiftly into the kitchen and thought about what he was going to make for breakfast.

“Now what should I eat today?” Joe thought to himself.

“I know!”

Joe opened the cupboard, grabbed the frying pan and started cooking.

“Now that’s a great breakfast” explained Joe happily. “Now let’s see, I have eggs, bacon and a latte.

Joe picked up the newspaper and read it. While he was reading he saw why everyone was leaving Prime. Everyone was leaving Prime because of the electricity and energy shortages due to slow production.

Joe grabbed his letters and started reading “Junk mail, Junk mail but the rest are important because one says IMPORTANT on the front”

Joe read through several letters until one said “anonymous”. Joe opened the letter and read it.

Worried in Pain

Joe spat out his latte and started hyperventilating and he fell on the floor and he started saying “I am going to die, I am going to DIE!”

Joe rushed to his old grey telephone and dialled 000

“Hello Police Department how I can help you?” asked Constable Bob.

“Yes, hello I would like to report a threat” explained Joe “his name is anonymous”.

“Hey, is this one of your pranks because I am not in the mood for jokes!” yelled Bob.

“But...but it’s true” said Joe.

“Good day sir and good bye!” yelled Bob.

Great customer service thought Joe, now who can help me...

“JEFF” said Joe excitedly.
Chapter 3

Problems Gone

Joe picked up the phone and dialled +61435928793 (0435928793). The phone started ringing and Jeff ran to his phone and said

“Hello my name is Jeff, who is this?”

“Um, its Joe, can I speak to you?” asked Joe.

“No sorry I am not your friend...SYK.MEET ME IN AN HOUR,AT MY PLACE OK,” explained Jeff.

“Ok bye” said Joe.

“Bye” said Jeff.

“You have one new message from anonymous” said the phone.

Joe read the message and it said,

“Hey I heard you got your friend Jeff to help you but I am going to tell you I’m not alone. My friend is here and we’re both really strong so I think you are outnumbered and why would you pick Jeff, he is the dumbest person I have ever met and I thought you felt the same way but It turns out you don’t. Also you have one more day left for the money or else...”

Jeff is a 24 year old who wears light blue and green Nike shoes and a dark blue plain Rivers shirt and black Denim jeans but when he is at work he wears a McDonald’s t-shirt and black pants. Jeff works at McDonald's on 365 McIntyre Rd in Prime and he is a cashier and a cook.
Jeff lives in a small apartment on 92 Utuna Court in Prime. He lives on level 2 number 15 where his favourite thing is and that’s one word...TV.

Jeff finished work at 4:00pm but Joe was already at Jeff’s house frightened of what had just happened. Jeff drove his Holden V8 supercar back to his apartment until he was at his underground car park and parked the car. By the time Jeff got up to the door Joe was already there bursting with tears about the two things that just happened.
Chapter 4
Terror Strike

Jeff opened the door with his key, and let Joe inside. Joe explained everything; even the smallest details and Jeff listened for half an hour until Joe was done.

“Ok let me tell you what you told me, you said that an anonymous guy sent you a letter and a message, also he has your number and he is a criminal” explained Jeff.

“Yes that’s everything and I’m so worried because I don’t know who he is” cried Joe.

“That’s easy, he is anonymous” said Jeff.

“That’s not his real name” explained Joe “He said he is anonymous because he doesn’t want us to know his name” explained Joe.

“Ohhh” sighed Jeff.

"Hey, how about I get my friends to help us, they are very friendly and some of my good mates” said Jeff.

“Their Names are Jim and Moe and they always help me, plus they owe me” explained Jeff.

“Ok but we have to hurry because I want to find out who is sending me blackmail as soon as possible before it is too late” cried Joe.

Jim is a 25 year old man who wears fluoro blue NIKES and a
Brazilian soccer top with Neymar Jr on the back because Jim’s
favourite player is Neymar Jr and he plays for Brazil. Jim wears green
camo military shorts and a black VANS OF THE WALL jumper and an
LA snapback hat.

Moe is a 22 year old who is studying at the University of Prime. Moe
wears orange and blue Converse All Star shoes and blue denim jeans
and also a Jordan top.

Jeff called Jim and Moe and Jeff and Joe went to the old rusty
abandoned Nuclear Power Station Warehouse at 12:00AM Midnight.

“Why are we meeting at midnight?” asked Joe.

“Because they used to be criminals and they don’t want to be seen in
public” explained Jeff.

“How long were they in jail for?” asked Joe.

“Four years, why did you want to know?” asked Jeff.

“Because maybe they are the criminals and they have a crowbar right
at your head!” yelled Joe.
But Jeff quickly grabbed the crowbar out of Jim’s hand and punched him in the stomach and tied him with the ropes that were near the Nuclear Reactor which was not operating.

Moe came down on a rope saying “You will never take me alive!”

Moe ended up flying into the wall and fainting.
