	BIG IDEA	BIG IDEA	BIG IDEA	BIG IDEA
	Rules are made to keep us safe	What makes a good learner?	Objects are made of materials that have observable properties	What is a family?
	KEY UNDERSTANDINGS	KEY UNDERSTANDINGS	KEY UNDERSTANDINGS	KEY UNDERSTANDINGS
	Members of a community have rules and responsibilities There can be consequences if rules and responsibilities are not followed	Learners need knowledge, skills and behaviours Learners are curious Learners explore Learners are challenged Learners are creative	We can use our 5 senses to observe materials We can test different materials to understand more about them	Families are similar and different Families have their own history Families have their own traditions
	KEY QUESTIONS	KEY QUESTIONS	KEY QUESTIONS	KEY QUESTIONS
	Why do we need to be safe? Why do we need rules? What is a good risk and a bad risk? What sorts of rules keep us safe?	What do learners need to learn? How do learners learn? What do learners do? How do we improve our learning?	How do our 5 senses assist us to observe the properties of materials? Why are different materials used for making different objects?	Are all families the same? How does a family change over time? How do families celebrate in different ways?
